

Our endorsement
for CITY COUNCIL,
DISTRICT 2 is:

Valerie Arkin

Though we did not endorse Valerie in 2020, we have watched her leadership grow by using her voice to become a consensus-builder. Valerie has shown she is open to discussing important issues, listening to different points of view, and modifying her position when a convincing argument is made. This is the type of leadership we want to see consistently demonstrated by our City Council. Combined with her experience and knowledge of the critical issues we now face, we are happy to endorse her for another term as City Council member, District 2.
